Nature of this report

Other

Urgency of this report

Not Urgent

Date of incident

2020-07-27

Time of incident

4:30 PM

Location of incident

Monroe Campus - Driver Training Program

Questions

Please provide a description of the incident, behavior, or concern in as much detail as possible.

As briefly discussed with Mr. Blair today, I am reporting sexual related harassment toward me by an instructor in the driver training program. This field driven form doesn't allow for full reporting, so I will wait to discuss with someone from the Title IX Coordinator office.
